Fudoshin K1 Kickboxing – Parent and Carer Code of Conduct

Purpose

This Code of Conduct sets out the expectations for parents and carers of students at Fudoshin K1 Kickboxing. Our goal is to create a safe, respectful, and supportive environment where all students can thrive. Parents and carers play a vital role in supporting the club's values of discipline, respect, and safeguarding.

1. Supporting Your Child

- Encourage effort, enjoyment, and personal development over winning.
 - Support your child to follow club rules and respect coaches and peers.
 - Reinforce positive behaviour both inside and outside the gym.
 - Help your child arrive prepared, on time, and ready to train.
-

2. Respect and Behaviour

- Treat coaches, staff, volunteers, and other families with respect.
 - Do not engage in aggressive, abusive, or confrontational behaviour.
 - Avoid coaching from the sidelines unless invited by a coach.
 - Promote good sportsmanship at all times.
-

3. Safeguarding and Welfare (UK Compliance)

Fudoshin K1 Kickboxing is committed to safeguarding and promoting the welfare of children and vulnerable adults. Parents and carers are expected to support this commitment.

Safeguarding Expectations

- For health and safety reasons, any student who arrives without a drink or wearing appropriate sportswear will not be able to participate in their class. We also reserve the right to refuse participation where we feel it is necessary to protect the safety and wellbeing of the student or others.
- Share relevant medical, behavioural, or safeguarding information with the club where appropriate.
- Inform coaches of any changes that may affect your child's wellbeing.

- Follow club safeguarding procedures and respect safeguarding decisions.
- Raise any concerns about safety or welfare promptly.
- If, at any point during the lesson, a member of our team contacts you regarding your child due to illness, injury, behaviour, or any other issue requiring your attention, you must return to the studio immediately and not wait until the end of the lesson. This is an important part of our safeguarding policy and ensures we can respond quickly to any situation.

-

5. Attendance and Supervision

-
